Director of Data Processing

STAT

SUBJECT: ODP Report for Week Ending 5 August 1983

1. Excess ADP Equipment

A request was submitted to Supply Management Division, Office of Logistics, to release the four remaining excess SAFE Burroughs B6930 computer systems to the General Services Administration for reassignment to other Government agencies. Several agencies have already expressed interest. These systems were declared excess after extensive attempts to place them in the Intelligence Community proved unsuccessful.

2. Significant Events During Coming Weeks

None.
